The specifications, features, and descriptions provided for the Geely Riddara RD6 are based on information available at the time of publication (September 2025) and are subject to change without notice or obligation. Actual specifications may vary by model variant. Images shown are for illustration purposes only and may include optional features not available on all models.

1 - Figures shown are based on NEDC. Real-life results may vary depending on driving style, road and traffic conditions, environmental influences, vehicle condition, use of ancillary features, and accessories fitted. The figures advertised are only to be for comparison amongst vehicles only.

2 - Warranty is fully transferrable to subsequent owners. Battery and Vehicle Warranty terms, conditions and exclusions apply.

3 - 3 years of roadside assistance is provided as standard with an annual extension following your scheduled servicing within the Geely dealer network (up to a maximum of 7 years from date of first registration).

4 - Whichever occurs first

5 - Advanced Driver Assist Systems (ADAS) features are designed to assist the driver but do not replace the need for attentive driving. Performance may vary depending on weather, road conditions, and other external factors. Drivers must always remain in control of the vehicle and comply with road laws. Refer to the Owner's Manual for detailed information on system limitations.

6 - Apple CarPlay® is a registered trademark of Apple Inc. Apple CarPlay® support specific applications and devices. Compatibility and functionality may depend on the operating system and software version of the connected device.
